STAND WITH ISRAEL

Israel is more spoken against and voted against in the UN than any other country.

Opinion, based on revisionist history and public relations is taught in our universities as facts. Millions are invested in teachers and university programs who position Israel as the great “occupier” and “oppressor.”

“U.N. “Human Rights” Council chamber:

- **750 people assembled, pounced on the Jewish state, broadcast the spectacle online, and produced hundreds of articles and interviews in dozens of languages championing the results.**
- ***“In Israel...Israelis are being hacked to death on the streets, stabbed in buses, slaughtered in synagogues, mowed down with automobiles, and shot in front of their children.***

“At UN headquarters, 8,100 NGO representatives gathered from all corners of the globe... and watched the weight of the entire world of women’s rights descend on only one country.

“On the ground, Palestinian women are murdered and subjugated for the sake of male honor, Saudi women can’t drive, Iranian women are stoned to death for so-called “adultery,” Egyptian women have their genitals mutilated and Sudanese women give birth in prison with their legs shackled for being Christian.

BUT THEY ARE NOT TREATED LIKE THAT BY ISRAEL!

“One of the Council resolutions adopted last week launches a worldwide witch-hunt for companies that do business with Israel – as part of an effort to accomplish through economic strangulation what Israel’s enemies have not been able to accomplish on the battlefield.”

...All companies engaged in whatever the U.N. thinks are business “practices that disadvantage Palestinian enterprises.”

“French Ambassador Elizabeth Laurin, Council President Choi Kyonglim selected Canadian law professor Michael Lynk as the newest U.N. “independent” human rights investigator on Israel.

Lynk’s qualifications? He has likened Israelis to Nazis, and challenged the legitimacy of the state of Israel starting in 1948 as rooted in “ethnic cleansing.”

Genesis 15:18 “To your descendants I give this land, from the river of Egypt to the great river, the Euphrates.”

God confirms this promise to Abraham’s son Isaac and Isaac’s son Jacob.

Joshua 1:4, “Your territory will extend from the desert to Lebanon, and from the great river, the Euphrates—all the Hittite country—to the Great Sea on the west.”

Deuteronomy 4:40

“Keep his decrees and commands, which I am giving you today, so that it may go well with you and your children after you and that you may live long in the land the Lord your God gives you for all time.”
