Forcing to Pre-1967 Borders

- **Brings Israel to 4-7 miles wide at parts of the land**
- **Already made settlements leave Gaza along the Mediterranean.**
- **They've given up land—and it's never produced peace.**

Forcing to Pre-1967 Borders

The problem is that those with whom they are supposed to settle REFUSE to recognize Israel's right to exist!

America's refusal to stand with Israel at the UN means the world can continue to vilify the nation that represents our best ally in the Middle East—a bone fide democracy.

**Israel defends human rights.
It doesn't train it's children in
smallest grades to fire
weapons at Palestinians or
other Muslims.
It doesn't carry out intifadas
on it's neighbors.**

***But Israel has the right to
DEFEND herself.***

**Every time we have initiated
dividing the land of Israel,
terrible things have happened in
our own land. Tornadoes, floods,
cataclysmic events. We choose
our actions that bring judgement
on ourselves.**

Our college campuses have filled student's minds with an ungodly perspective regarding Israel and pride is taken in boycotting God's people in Israel, or businesses here who support or even do business in Israel.

It's economic terrorism and anti-Semitic

***Mike Huckabee, former Gov and candidate
for President:***

**As a Christian, if I'm injured in this country,
I'll be welcomed at Hadassah Medical
Center to be treated; if an Arab [is injured],
he will be taken to Hadassah to be treated;
and if a Jew [is injured], he will be taken to
Hadassah to be treated."**

**Huckabee continued, "Will we be treated
any differently? No. We will have exactly
the same medical treatment."**

***Mike Huckabee, former Gov and candidate
for President:***

***A prominent Christian, the former governor questioned how
a nation that accepts all religions in a region rife with
intolerance and brutal theocracies somehow continues to
be incongruously, and unfairly, vilified in the international
media.***

**“Tell me how many places in Saudi Arabia,
how many places in Qatar, how many
places in Kuwait, how many places in Syria
can I go and build a church?” he asked
rhetorically.**

**“How many places can I go and even
express that I’m a Christian?”**
